50X1-HUM

1. At the end of January 1951, the Hungarian border guard company in Koermend (P 48/C 76) was transferred to Szentgotthard (Y 3/C 45). 50X1-HUM
The company headquarters moved by motor convoy.
2. Forty mounted AVH personnel arrived in Koermend on 1 February and established quarters in the old sausage factory which is located opposite the municipal hospital, on the Koermend-Szentgotthard highway. the arrival of AVH personnel was lin50X1-HUM
the forthcoming inductions which would induce many prospective draftees to illegally cross the Austrian border.
3. On 2 February, a Hungarian signal unit of about 40 soldiers arrived in Koermend and moved into the former customs police building which formerly housed the border guard company headquarters. Immediately upon arrival the signal troops started constructing permanent telephone lines leading toward Szombathely, Szentgotthard and Zalaloevoe (Y 3/Z 90). 50X1-HUM

 Comment. The border guard company belonged to the 7th Border Guard Bn in Koeszeg.
